

# Abundance of the Heart

## Gift of Love

### LOVE

Is a living action  
Compelling oneself  
To accelerate  
To endless  
Boundaries of  
Emotional  
Physical  
Spiritual  
Levels of the soul.

### LOVE

Activates  
A harmonious  
Relationship  
To whosoever  
Touches the hand  
Of God  
And  
Reaches out to  
The heart  
Of man.

# *Abundance of the Heart*

## *LOVE*

*Is a gift  
Bestowed upon us  
By the grace of  
Our Heavenly Father  
Through His Son  
To be shared  
For His Glory.*
