

Table of Grace

It's supper time at the Lord's Table of grace

An invitation for all to take a place.

Come gather round with our holy, honored Guest

Jesus Christ our Host prepares this blessed fest.

He humbly serves those who hunger and thirst

And freely declares, "He who is last would be first."

Partake of the eating of this broken bread

Your spirit cries out with a need to be fed.

Drink from this loving cup that is passed to you

Filled with diving power to grace life anew.

Remember the covenant of this meal, I pray

You supped at the table with the Lord today.
